Parents, educators, advocates, and attorneys come to [Wrightslaw](http://www.wrightslaw.com/) for accurate, reliable information about special education law, education law, and advocacy for children with disabilities. <http://www.wrightslaw.com/>

Also, please remember that Down Syndrome Indiana offers resources for parents and educational professionals to better serve children with Down syndrome. We offer a variety of publications and trainings to assist educators. Check out our resource page at: <http://www.dsindiana.org/Educators.php>.

With over a thousand apps now available to help individuals with special needs it has become increasingly difficult to find and choose the right special needs app. The Friendship Circle App Review gives you the ability to find the perfect special needs app for your child. <http://www.friendshipcircle.org/apps/>

Think college isn't for your son or daughter? You may rethink that after learning about postsecondary education programs available at: <http://www.thinkcollege.net//>

Down Syndrome Education USA works with parents and teachers to improve education for children with Down syndrome. <http://www.dseusa.org/en-us/>.
